What is Google YouTube TV? {Customer Help Support}

Google YouTube TV is a paid live-TV +1 (866) 381-7244 {US/UK} streaming service from Google that allows subscribers to watch television over the internet instead of using traditional cable or satellite +1 (866) 381-7244 {US/UK} service. YouTube TV includes **100+ broadcast, cable, and regional sports networks**, live sports, premium and popular cable networks, unlimited DVR storage, +1 (866) 381-7244 {US/UK} and up to six accounts for one membership. You can watch on supported TVs, smartphones, tablets, and computers, with the standard plan allowing up to +1 (866) 381-7244 {US/UK} three devices to stream simultaneously. YouTube TV is separate from **YouTube Premium**, which is a different subscription focused on the regular +1 (866) 381-7244 {US/UK} YouTube, YouTube Music, and YouTube Kids experience.

+1 (866) 381-7244

1. Is Google YouTube TV the same as regular YouTube?
No. Regular YouTube is primarily a +1 (866) 381-7244 {US/UK} video-sharing platform where users watch creator videos, +1 (866) 381-7244 {US/UK} music, livestreams, and other uploaded content. YouTube TV is a separate paid service focused on live television, including broadcast networks, +1 (866) 381-7244 {US/UK} cable channels, sports, and other TV programming. YouTube TV can include +1 (866) 381-7244 {US/UK} some trending YouTube videos, but its main purpose is live-TV streaming.

2. Is YouTube TV the same as YouTube Premium?
No. YouTube TV and YouTube +1 (866) 381-7244 {US/UK} Premium are separate memberships. YouTube TV provides live television +1 (866) 381-7244 {US/UK} and related TV programming, while YouTube Premium +1 (866) 381-7244 {US/UK} provides benefits such as an ad-free experience across +1 (866) 381-7244 {US/UK} regular YouTube, along with YouTube Music and YouTube Kids benefits. Having YouTube Premium does not automatically give you a +1 (866) 381-7244 {US/UK} YouTube TV membership.

3. What do I get with a YouTube TV subscription?
A YouTube TV subscription can +1 (866) 381-7244 {US/UK} provide access to more than 100 live broadcast, cable, and regional sports networks, live sports, popular premium networks, and unlimited DVR storage. +1 (866) 381-7244 {US/UK} You can also create up to six individual accounts under one +1 (866) 381-7244 {US/UK} membership. This allows household members to have personalized viewing experiences while sharing the same subscription.

4. Can I watch Google YouTube TV on my phone, computer, or smart TV?
Yes. YouTube TV supports viewing on +1 (866) 381-7244 {US/UK} compatible phones, tablets, computers, smart TVs, and supported streaming devices. On televisions, you can download the dedicated YouTube TV +1 (866) 381-7244 {US/UK} app on supported devices or, on some devices, access YouTube TV +1 (866) 381-7244 {US/UK} through the YouTube app. An internet connection is required to watch the service.

5. Is Google YouTube TV available everywhere?

No. YouTube TV is currently available +1 (866) 381-7244 {US/UK} **only in the United States**. Your location also affects which programs and local networks are available. When you travel within the U.S., YouTube TV +1 (866) 381-7244 {US/UK} can show local channels based on your current location,+1 (866) 381-7244 {US/UK} while certain regional sports and other programming can +1 (866) 381-7244 {US/UK} depend on your Home Area and content rights.
